Hari Ibu Kartini (April 21)

Ibu Kartini (Born: Raden Ajeng Kartini, 21 April 1879) is an Indonesian feminist who strived for the equality and rights of women. Her most prominent achievement was the establishment of a school for women. Her conquest inspired the instantiation of other schools for women by the Dutch Government and also for greater rights of women, after her death in September 17, 1904 (aged 25). Today, she is remembered for her achievements in advancing not only women, but our nation as a whole. We would like to commemorate her efforts by having the children **come to school dressed in an occupational outfit of their choice (e.g. a pilot, police officer, or doctor) on Monday, 23 April, 2012.**
